(B) Brief Reports (O) Original Articles

Access
  changes in (E), 252
  to depression treatment (O), 307
  for elderly (O), 804
  health coverage and (O), 257
  health-related quality-of-life outcomes and in HIV patients (O), 295
  to kidney transplantation (O), 1398
  to liver transplantation (O), 281
  to mental health services (O), 503
  to poison control centers (O), 271
  to preventive and health services among elderly (O), 965
Acquired immunodeficiency syndrome (AIDS)
  access to medical care and outcomes for (O), 295
  functional status transitions and survival with (O), 533
  quality of life with (O), 138
Addiction, residential treatment for veterans with (O), 40
Adherence
  to cervical cancer management (O), 397
  interventions to improve (O), 1138
Administrative data
  comorbidity measures used with (O), 8
  in health services research (E), 3
  in predicting hospital deaths from coronary artery bypass graft surgery (O), 28
  on regional variations in procedure utilization rates (O), 1022
Administrative files, agreement with written medical records (O), 1324
Adolescent health, taxonomy of (O), 1228
Adolescent health profile-types
  development of (O), 1228
  reliability and validity of (O), 1237
Advance directives, length of stay and for stroke patients (O), AS57
Aged, standardized nursing home resident assessments for (O), 167
Aging
  National Institute on (V), 1123
  SF-36 changes with (B), 1589
  tertiary prevention and health service utilization and (O), 965
AIDS Costs and Service Utilization Survey, functional status and survival data from (O), 533
Alcohol consumption, health services utilization in HMOs and (B), 1599
Alcoholism, community-based treatment for (O), 1419
Algorithm, for nutrition status classification (O), 1578
Allergists, asthma treatment by (O), 1567
Ambulatory care
  profiling outcomes in (B), 928
  utilization model for (O), 1639
  utilization of in veterans clinics (O), 793
American Academy of Pediatrics Supine Sleep Position policy, SIDS rates after (B), 938
Angioplasty, peripheral, classification tree analysis for selection of (B), 740
Antenatal care, international perinatal mortality rates in comparing (O), 54
Antiarrhythmic medications, quality of life with (B), 1515
Antibiotics, NIH Consensus Conference and physician prescribing for peptic ulcer disease (O), 646
Antidepressants, gender difference in use of (B), 88
Antimicrobials, NIH Consensus Conference and physician prescribing for peptic ulcer disease (O), 646
Anxiolytics, gender difference in use of (B), 88

Arthritis
disability and health care utilization with (O), 1073
knee replacement for (O), 661
Asthma
assessment of severity of (O), 1567
emergency versus inpatient care for (O), 599
patient-provider communication during emergency care of children with (O), 1439
Attitudes
health care utilization and (O), 180
in quality of primary care (O), 625
toward oral health (O), 988
Backache, labor productivity effects of (O), 1471
Balneotherapy, for low back pain (O), 1309
Baseline data, on quality of life (B), 1515
Behavioral and Social Research Program, of National Institute on Aging (V), 1123
Benign prostatic hyperplasia, in Cuban-American population (B), 766
Birth outcome, variation in with adequacy of prenatal support services (O), 190
Blood donation, autologous, risk information and willingness to pay for (O), 1162
Blood pressure, in hospitalized older adults (O), 411
Blood transfusion, risk information and willingness to pay for autologous blood donation in (O), 1162
Breast cancer
health coverage type and screening for (O), 636
physician uncertainty and variability in managing (O), 385
Breast neoplasms, health coverage and screening for (O), 257
Bypass surgery, classification tree analysis for selection of (B), 740
Canada
community-based treatment for alcoholism in (O), 1419
health care utilization profile with disability in (O), 1383
psychiatric morbidity and physician visits in (O), 573
regional variation in procedure utilization rates in (O), 1022
surgical volume and outcomes for hip fractures in (O), 892
Cancer screening
health care coverage and use of (O), 257
health coverage type and (O), 636
Cancer therapy, quality-of-life instrument for (O), 1407
Capitation, high costs of death and (O), 1451
Cardiac angiography, low-osmolality contrast for (O), 1189
Cardiovascular care, in HMO versus non-HMO settings (O), 1607
Carpal tunnel syndrome, responsiveness of health status measures in (O), 491
Case managed residence care, for homeless addicted veterans (O), 40
Case-based payment, inpatient utilization and (O), 1126
Case-finding measure, for psychiatric disorders in HIV seropositive outpatients (B), 237
Casemix
in home health care (O), 1500
perceived performance and (B), 928
in satisfaction ratings comparisons (B), 720
Casemix adjustment
codes for (E), 3
for hospital mortality with congestive heart failure (O), 1489
of managed care claims data (B), 1108
Cataracts, cross-cultural reporting of (O), 868
Censoring, of resource cost estimation (O), 433
Cervical cancer screening
health coverage type and (O), 636
reducing loss-to-follow-up in (O), 397
Cervix neoplasms, health coverage and screening for (O), 257
Change, format (F), 1
Chemotherapy, assessing value of (O), 370
Children
asthmatic, patient-provider communication during emergency care of (O), 1439
dental health services for (O), 554
home care for diabetes in (O), 586
Chinese, elderly, health services use by (O), 1265
Chinese Americans, event count model for health services utilization by (O), 1639
Chiropractic services, employer-sponsored health insurance for (O), 544
Choice behavior, in emergency department visits (O), 1249
Chronic disability, labor productivity effects of (O), 1471
Chronic illness
among homeless (E), 1121
disability and health care utilization with (O), 1073
in health care utilization of disabled population (O), 1383

in hospitalized older adults (O), 411
Cigarette smoking, in hospitalized older adults (O), 411
Cimetidine, shifting physician prescription to (O), 321
Claims data
analysis of for home infusion therapy (B), 757
in Clinical Classification for Health Policy Research (B), 1108
Classification tree analysis, of discretionary treatment selection (B), 740
Claudication, classification tree analysis for treatment of (B), 740
Clinical direct reports, randomized controlled clinical trial of (O), 79
Clinical measures, in health services research (E), 3
Clinical preventive services, primary care attributes and (O), AS21
Clinical research, patients as partners in (O), AS13
Clinical risk factors, monitoring of (O), 348
Cluster analysis, of adolescent health (O), 1228
Cohort study, of low-osmolality contrast in cardiac angiography (O), 1189
Colon neoplasms
health coverage and screening for (O), 257
health coverage type and screening for (O), 636
Colorectal cancer screening, health coverage type and (O), 636
Communication
barriers to for Spanish-speaking patients (O), 1461
in clinical preventive services (O), AS21
during emergency care of children with asthma (O), 1439
in emergency room (E), 1437
Communication style, in general practice, gender differences in (B), 100
Community health centers, physician retention in (O), 1198
Community pharmacy services, "Questions to Ask about Your Medicines" campaign in (O), 422
Community survey, on psychiatric morbidity and and physician visits (O), 573
Community-based analysis, of effectiveness of early endoscopy (O), 462
Community-based research, physician recruitment for (B), 934
Community-based treatment, for alcoholism (O), 1419
Comorbidity
casemix adjustment index for (O), 1489
with drug abuse (O), 1214
measures for use with administrative data (O), 8
with medical and psychological symptoms (O), 1073
in treatment of nonmetastatic prostate cancer (O), 1337
Compliance
of frail elderly with health services (O), 904
interventions to improve (O), 1138
in managed care (O), 357
Complications, of knee replacement (O), 661
Computerized feedback, linking practice data and published evidence (O), 79
Condition-specific measures, national (O), 778
Confirmatory factor analysis, of physicians' perceptions of managed care (O), 1430
Congestive heart failure
casemix adjustment for hospital mortality due to (O), 1489
gender differences in survival and quality of life with (O), 1033
Conjoint analysis, in understanding preference patterns for growth hormone therapy (O), AS31
Consumer satisfaction
with general practitioner (O), 212
with interpersonal aspects of care in English- versus Spanish-speaking patients (B), 230
with pharmacy services (B), 244
Contingent valuation
of new pharmaceuticals (O), 370
risk information in (O), 1162
Continuous quality improvement
primary care (E), 619
primary care (O), 625
Contrast media, low-osmolality, safety and criteria for selective use of (O), 1189
Coronary angiography, regional variation in utilization rates of (O), 1022
Coronary artery bypass graft surgery
monitoring outcomes of (O), 348
predicting in-hospital deaths from (O), 28
quality report cards on (O), 943
regional variation in utilization rates of (O), 1022
Cost analysis
for failure time studies (O), 433
of FIM-FRGs and RUG-III systems in patient classification (O), 695
of health care (O), MS1
Cost containment, readmission for psychiatric disorders with (O), 844

Cost functions, in hospital-physician relations (O), 67
Cost-benefit analysis, of health care from 1991 to 1996 (O), MS1
Cost-effectiveness
of autologous blood donations (O), 1162
of hospital-based smoking cessation intervention (O), 670
of physician mail surveys (B), 95
Cost-effectiveness analysis
consistency in (O), 778
Health and Limitations Index in (E), 775
in health care decision-making (O), MS10
of health care from 1991 to 1996 (O), MS1
for home infusion therapy (B), 757
Costs
of health care (O), MS1
of health services for homeless veterans (O), 1256
of home health care (O), 1500
mortality-related (O), 1451
for patients with psychiatric and substance abuse disorders (O), 835
of short-term drug abuse treatment (O), 1214
Cost-sharing, in decision to medicate (O), 202
Cost-utility analysis, consistency in (O), 778
Critical care medicine, predicting outcome in (O), 1371
Critical pathways, in renal transplant outcomes and length of stay (O), 826
Cross-cultural reporting, of functional capacity (O), 868
Cross-cultural translation, of RAND-36 health survey (O), 428
Cross-culture study, of benign prostatic hyperplasia in Cuban-American population (B), 766
Cuban-American population, with benign prostatic hyperplasia, SF-36 health survey in (B), 766
Cultural equivalence, of functional assessment of cancer therapy quality-of-life instrument (O), 1407
Data
incentive sizes in collecting (B), 95
longitudinal analysis of (O), 348
quality of in Primary Care Assessment Survey (B), 728
Decision-making
for breast cancer treatment (O), 385
cost-effectiveness analysis in (O), MS10
patients in (O), AS31
Decubitus ulcers, reducing random variation in reported rates of (O), 818
Demographics, in access to kidney transplantation (O), 1398
Dental care
multidimensional (O), 988
utilization of in low-income children (O), 554
Dental practice, malpractice liability rules and (O), 706
Dentists, effects of malpractice liability rules on (O), 706
Depression
case-finding in HIV seropositive outpatients (B), 237
health care utilization in arthritis patients with (O), 1073
rural-urban differences in treatment of (O), 1098
seeking treatment for and choice of provider sector (O), 307
SF-36 summary scores for (O), 567
Diabetes mellitus
home care for children with (O), 586
outcome for in ambulatory care (B), 928
Diagnosis-related groups (DRGs)
all-inclusive, impact of on inpatient utilization (O), 1126
length of stay distributions in (O), 915
Diagnostic data, validity of in standardized nursing home resident assessments (O), 167
Diagnostic testing, evaluating performance of (O), AS46
Dialysis, practice data and published evidence on (O), 79
Disability
health care utilization profile with (O), 1383
impact of on health care utilization of patients with arthritis (O), 1073
labor productivity effects of (O), 1471
Disability days, with chronic backache (O), 1471
Discretionary treatment selection, classification tree analysis of (B), 740
Disease-specific measures, of physical and role functioning (O), 155
Do-not-resuscitate orders, length of stay for stroke patient and (O), AS57
Drug abuse, short-term treatment costs and utilization (O), 1214
Drug use
ability to pay and (O), 202
gender difference in (B), 88
review of, randomized controlled trial for sedative hypnotic medications (O), 1013

Drugs
assessing value of (O), 370
formulary for histamine-2-receptor antagonists (O), 321
nonprescription, elimination of coverage of in Oregon Medicaid population (O), 1283
validity of data on in standardized nursing home resident assessments (O), 167
Dual diagnosis, long-term service use patterns and costs for (O), 835
Economic evaluation
of community- and hospital-based alcohol treatment (O), 1419
of failure time studies (O), 433
for home care for children with newly diagnosed diabetes (O), 586
Economics
of access to transplantation (O), 1398
of malpractice liability in dental practice (O), 706
of post-acute and chronic care in nursing homes (O), 475
quality report cards and (O), 943
Elderly
ability to pay and decision to medicate for (O), 202
biomedical risk factors for hospital admission in (O), 411
disadvantaged, SF-36 changes in (B), 1589
factors in potentially preventable hospitalizations in (O), 804
frail, compliance of with health services (O), 904
funding for research on (V), 1521
health care utilization and costs of falls in (O), 1174
health insurance of (E), 107
health services use by (O), 1265
near, life transitions and health insurance coverage for (O), 110
QWB-SA questionnaire among (O), 1349
risk of hospitalization for ischemic stroke among (O), 449
tertiary prevention and health service utilization among (O), 965
Emergency care, patient-provider communication during (O), 1439
Emergency departments
nonurgent visits to (O), 1249
observation unit of versus hospital inpatient care for chronic asthma (O), 599
triadic conversation in (E), 1437
Employer-sponsored insurance, for chiropractic services (O), 544
Enabling services, prenatal (O), 190
Endoscopy, effectiveness of early for upper gastrointestinal hemorrhage (O), 462
English-speaking patients, satisfaction of with interpersonal aspects of care (B), 230
Epidemiology
of alcohol-related health problems (B), 1599
conducting physician mail surveys on (B), 95
genetic (O), AS46
of ischemic stroke among older adults (O), 449
of oral health problems (O), 988
Erratum
The association between health care coverage and the use of cancer screening tests, Potosky AL et al (1998;36:257-270), 1470
A short, psychiatric, case-finding measure for HIV seropositive outpatients, Holmes, WC (1998;36:237-243), 618
Event count model, for studying health services utilization (O), 1639
Failure time studies, economic evaluation of (O), 433
Falls, health care utilization and costs of for Medicare population (O), 1174
Family practice
asthma treatment in (O), 1567
physician practice styles in (O), 879
Fecal occult blood tests, health coverage and use of (O), 257
Female veterans
use of VA and non-VA mental health services by (O), 1524
use of VA services by (B), 1114
Filial piety, in China (O), 1265
Financial incentives, for physician mail surveys (B), 95
Follow-up, reducing loss to with abnormal Pap smears (O), 397
Foundation grants, types of (V), 621
Frail elderly, compliance of with health services (O), 904
Functional independence measure-function related groups, in post-acute patient classification (O), 695
Functional status
assessment with Spanish-language cancer therapy quality-of-life instrument (O), 1407
cross-cultural difference in reporting (O), 868
SF-36 summary scores for (O), 567
survival and in HIV patients (O), 533

Funding, foundation grants in (V), 621
Gastrointestinal hemorrhage, effectiveness of early endoscopy for (O), 462
Gender differences
in communication style in general practice (B), 100
in psychotropic drug use (B), 88
in survival and quality of life with congestive heart failure (O), 1033
General internal medicine, physician practice styles in (O), 879
General practitioner
gender and communication styles of (B), 100
patient satisfaction with (O), 212
Genetic tests, evaluating performance of (O), AS46
Geriatric assessment unit, compliance of frail elderly with health services after discharge from (O), 904
Geriatrics
funding for research on (V), 1521
pharmacoepidemiology potential for (O), 167
Gerontology, QWB-SA questionnaire (O), 1349
Glaucoma, noncompliance in therapy for (O), 357
Global functional capacity, cross-cultural difference in reporting (O), 868
Grant programs
of John A. Hartford Foundation (V), 1521
types of (V), 621
Growth hormone therapy, preference patterns for (O), AS31
Health and Limitations Index, in quality-adjusted life years assessment (E), 775
Health assessment, in adolescents (O), 1228, 1237
Health attitudes, health care utilization and (O), 180
Health behaviors, health care utilization and (O), 180
Health care characteristics, associated with satisfaction with prenatal care (O), 679
Health care costs
adjusting estimates for censoring (O), 433
for emergency versus inpatient care of chronic asthmatic population (O), 599
for falls in Medicare population (O), 1174
for patient with dual diagnosis (O), 835
of post-acute and chronic care in nursing homes (O), 475
provider characteristics and (O), 977
of restricting public access to poison control centers (O), 271
Health care delivery, health coverage type and (O), 636
Health Care Policy and Research, Agency for (V), 6
Health care questionnaires/surveys
cross-cultural translations of (O), 428
of patient satisfaction with general practitioners (O), 212
for primary care (B), 728
for quality of primary care (O), 625
Health care reform, for near elderly (O), 110
Health care services
changing access to (E), 252
compliance of frail elderly with (O), 904
research and policy in (V), 6
rural-urban differences in (O), 1098
skepticism toward medical care and (O), 180
utilization management of privately insured patients (O), 1545
Health care system, veterans (O), 793
Health indexes, reliability and validity of (O), 126
Health information databases, reliability of (O), 1324
Health insurance
cancer screening utilization and (O), 257
competition in (O), 1451
in decision to medicate (O), 202
demand for by voluntary small group insurance program employees (B), 437
employer-sponsored for chiropractic services (O), 544
for HIV-infected men and women (O), 1675
judicial review of coverage of (O), 1295
life transitions and for near elderly (O), 110
of near elderly (E), 107
private, and use of Veterans Affairs care (O), 1085
private, hospital care utilization and (O), 1545
type of coverage and likelihood of cancer screening (O), 636
Health knowledge, in quality of primary care (O), 625
Health maintenance organizations
alcohol consumption and health services utilization in (B), 1599
health coverage and cancer screening in (O), 257
likelihood of cancer screening in (O), 636
multifactorial intervention in (O), 321
patient noncompliance in (O), 357
physician work satisfaction in (B), 610
practice location choices of new physicians and (O), 1555
quality of cardiovascular care in (O), 1607

Health outcomes
assessment of (B), AS57, AS68, 818, 928
in disadvantaged older adults (B), 1589
for emergency versus inpatient care of chronic asthmatic population (O), 599
gender differences in with congestive heart failure (O), 1033
with home infusion therapy (B), 757
of knee replacement (O), 661
physician practice styles and (O), 879
for prostate cancer (O), 1002
provider characteristics and (O), 977
in rehabilitation (O), 333
for renal transplants (O), 826
with restricting public access to poison control centers (O), 271
for rheumatoid arthritis with rheumatologist versus non-rheumatologist as main physician (O), 513
time series monitors of (O), 348
waiting time for liver transplant and (O), 281
Health plans, response to quality measurement of (E), 943
Health policy
cost-effectiveness analysis in (O), MS10
standardized hospital mortality rates and (O), 955
Health Policy Research, Clinical Classification for (B), 1108
Health profiles, adolescent (O), 1228
Health promotion, "Questions to Ask about Your Medicines" campaign in (O), 422
Health services research
administrative data in (E), 3
cost-effectiveness analysis in (O), MS10
on DNR orders and length of stay (O), AS57
on effectiveness of early endoscopy (O), 462
funded by John A. Hartford Foundation (V), 1521
medical records and patient questionnaires for (O), 851
National Institute of Mental Health funding of (V), 1306
patient assessment of care in (O), AS68
on provider characteristics and community-acquired pneumonia outcomes and costs (O), 977
on regional variation in procedure utilization rates (O), 1022
on standardized hospital mortality rates (O), 955
Health status
in adolescents (O), 1228, 1237
cross-cultural difference in reporting (O), 868
of HIV patients (O), 533
of HIV-infected women versus men (O), 1675
QWB-SA questionnaire for (O), 1349
self-reported, in Israel (O), 1361
Health status assessment
of cancer therapy quality of life (O), 1407
comparative responsiveness of in carpal tunnel syndrome (O), 491
cross-cultural (O), 428
for HIV infection (O), 126
methodological inquiries in (E), 445
Health status measures
consistency in (O), 778
for HIV-infected and primary care patients (O), 523
Health summary scores, from medical outcomes study HIV health survey, reliability and validity of (O), 126
Health transition, in near elderly (O), 110
Health utility measures, for HIV-infected and primary care patients (O), 523
Healthcare Group of Arizona, demand for health insurance by employees in (B), 437
Helicobacter pylori, NIH Consensus Conference and physician prescribing for (O), 646
Help seeking, for mental health care among poor Puerto Ricans (O), 1047
Hip fractures, surgical volume and outcomes for (O), 892
Histamine-2-receptor antagonists, shifting prescription to cimetidine from (O), 321
HIV Health Survey, reliability and validity of scores from (O), 126
HIV/AIDS-targeted quality of life instrument: development, reliability, and validity of (O), 138
Home health care
analysis of using insurance claims data (B), 757
determinants of visit length in (O), 1500
economic evaluation of for children with newly diagnosed diabetes (O), 586
Home infusion therapy, analysis of using insurance claims data (B), 757
Home Infusion Therapy/Relative Benefit Index model (B), 757
Homelessness
in addicted veterans (O), 40
chronic illness and (E), 1121
health service use and costs of (O), 1256
Hospital charges, comorbidity measures and (O), 8

Hospital mortality
comorbidity measures of (O), 8
with congestive heart failure, casemix adjustment index for (O), 1489
from coronary artery bypass graft surgery, predicting (O), 28
scoring systems for predicting (O), 1371
standardized rates for in six medical diagnoses (O), 955
Hospital utilization
all-inclusive DRG payment system and (O), 1126
biomedical risk factors for in older adults (O), 411
management for privately insured patients (O), 1545
Hospital-based treatment, for alcoholism (O), 1419
Hospitalization
alcohol consumption and (B), 1599
potentially preventable in elderly (O), 804
risk of for ischemic stroke in older adults (O), 449
Hospital-physician relations, hospital financial performance and (O), 67
Hospitals
characteristics of in patient assessments of hospital obstetrical care (O), AS68
emergency services of (O), 1249
financial performance of and hospital-physician relations (O), 67
inpatient care versus emergency medicine in for chronic asthma (O), 599
length of stay distributions in casemix of (O), 915
resources of for comorbidity measures (O), 8
surgical volume and outcomes in for hip fractures (O), 892
Human immunodeficiency virus infection
access to medical care and outcomes for (O), 295
functional status transitions and survival with (O), 533
health status, socioeconomic characteristics, and knowledge and use of resources for in men versus women (O), 1675
health status measures for (O), 523
quality of life with (O), 138
reliability and validity of survey scores on (O), 126
short psychiatric case-finding for patients with (B), 237
Hypertension, outcome for in ambulatory care (B), 928
Immunology, asthma severity assessment and (O), 1567
Implantable defibrillators, quality of life with (B), 1515
Improvement Scaling, Rehabilitation Version (O), 333
Incentives, for physician mail surveys (B), 95
Injury prevention, restricted access to poison control centers and (O), 271
Inpatient care, for short-term drug abuse (O), 1214
Inpatient medical wards, interdisciplinary rounds trial on (O), AS4
Insurance coverage
cancer screening utilization and (O), 257
for chiropractic services (O), 544
in decision to medicate (O), 202
for HIV-infected men and women (O), 1675
judicial review of (O), 1295
life transitions and for near elderly (O), 110
malpractice, in dental practice (O), 706
for near elderly (E), 107
for nonprescription drugs (O), 1283
type of and likelihood of cancer screening (O), 636
urban-rural residence and supplemental (O), 965
Insurers, competing (O), 1451
Intensive care unit (ICU), predicting outcome in (O), 1371
Interactional analysis, of physician practice styles and patient outcomes (O), 879
Interdisciplinary rounds trial, on inpatient medical wards (O), AS4
Internal medicine, physician practice styles in (O), 879
International comparisons, perinatal (O), 54
International medical graduates, reducing rural physician shortages (O), 1534
Interpersonal Aspects of Care, English- versus Spanish-speaking patients' satisfaction with (B), 230
Interpreters, physician-patient relations and (O), 1461
Interventions
to improve patient compliance (O), 1138
multifactorial in mixed-model HMO (O), 321
Ischemic stroke, risk of hospitalization for among older adults (O), 449
Israel, SF-36 survey in (O), 1361

Job satisfaction, of physicians in managed care (O), 1430
John A. Hartford Foundation, grants programs of (V), 1521
Judicial review, health insurance coverage (O), 1295
Kidney transplantation, socioeconomics in access to (O), 1398
